WE MANUFACTURE TRUST

Donald Setting New Benchmarks of Style and Substance Across the Globe

You are what your lifestyle is. Every single element that contributes towards forming the world around you also defines your personality, taste and attitude.

At Donald, we understand this globally acknowledged fact of life. That's why, we've created a world-class range of bath and kitchen products & accessories so distinct in form and functionality that it puts your lifestyle in a league of its own.

It's this uniqueness of the Donald range that keeps its name shining not only in its domestic markets but also on the global front. It'll not be an exaggeration to say that Donald is one of those few names in the industry that are successfully exporting their products to the highly competitive international markets.

Donald is different, dynamic and bold. Just one look at its vast range and, you'll concede with this reality. Be it the collection of **Chrome Plated Brass Taps** or the **fantastic array of stainless steel kitchen sinks, trend-setting bath fittings or eye-catching accessories**, every piece is a refined statement etched in metal. The complete range is sculpted out of the finest raw material and then crafted to perfection in the state-of-the-art-plants. Mesmerizing designs with flawless finishing, ergonomic shapes and impeccable performance are just some of the features that make Donald the perfect choice of the savvy customers of today.

Not just that, Donald has also been acknowledged for its unmatched product quality. Its ever evolving array of offerings promise total satisfaction with absolute peace of mind. The purpose has always been to ensure that our customers get absolute value for their money while our products add more value to their lifestyles.
